### **Subpart N—Oral Argument; Submission for Final Decision**

#### **§ 502.241 Oral argument.**

(a) The Commission may hear oral argument either on its own motion or upon the written request of a party. If oral argument before the Commission is desired on exceptions to an initial or recommended decision, or on a motion, petition, or application, a request therefor shall be made in writing. Any party may make such a request irrespective of its filing exceptions under § 502.227. If a brief on exceptions is filed, the request for oral argument shall be incorporated in such brief. Requests for oral argument on any motion, petition, or application shall be made in the motion, petition, or application, or in the reply thereto. If the Commission determines to hear oral argument, a notice will be issued setting forth the order of presentation and the amount of time allotted to each party.

(b)(1) Requests for oral argument will be granted or denied in the discretion of the Commission.

(2) Parties requesting oral argument shall set forth the specific issues they propose to address at oral argument.

(c) Those who appear before the Commission for oral argument shall confine their argument to points of controlling importance raised on exceptions or replies thereto. Where the facts of a case are adequately and accurately dealt with in the initial or recommended decision, parties should, as far as possible, address themselves in argument to the conclusions.

(d) Effort should be made by parties taking the same position to agree in advance of the argument upon those persons who are to present their side of the case, and the names of such persons

and the amount of time requested should be received by the Commission not later than ten (10) days before the date set for the argument. The fewer the number of persons making the argument the more effectively can the parties' interests be presented in the time allotted. [Rule 241.]

#### **§ 502.242 Submission to Commission for final decision.**

A proceeding will be deemed submitted to the Commission for final decision as follows: (a) If oral argument is had, the date of completion thereof, or if memoranda on points of law are permitted to be filed after argument, the last date of such filing; (b) if oral argument is not had, the last date when exceptions or replies thereto are filed, or if exceptions are not filed, the expiration date for such exceptions; (c) in the case of an initial decision, the date of notice of the Commission's intention to review the decision, if such notice is given. [Rule 242.]

#### **§ 502.243 Participation of absent Commissioner.**

Any Commissioner who is not present at oral argument and who is otherwise authorized to participate in a decision shall participate in making that decision after reading the transcript of oral argument unless he or she files in writing an election not to participate. [Rule 243.]

### **Subpart O—Reparation**

#### **§ 502.251 Proof on award of reparation.**

If many shipments or points of origin or destination are involved in a proceeding in which reparation is sought (See § 502.63), the Commission will determine in its decision the issues as to violations, injury to complainant, and right to reparation. If complainant is found entitled to reparation, the parties thereafter will be given an opportunity to agree or make proof respecting the shipments and pecuniary amount of reparation due before the order of the Commission awarding reparation is entered. In such cases, freight bills and other exhibits bearing

on the details of all shipments, and the amount of reparation on each, need not be produced at the original hearing unless called for or needed to develop other pertinent facts. [Rule 251.]

### § 502.252 **Reparation statements.**

When the Commission finds that reparation is due, but that the amount cannot be ascertained upon the record before it, the complainant shall immediately prepare a statement in accordance with the approved reparation statement in Exhibit No. 1 to this subpart, showing details of the shipments on which reparation is claimed. This statement shall not include any shipments not covered by the findings of the Commission. Complainant shall forward the statement, together with the paid freight bills on the shipments, or true copies thereof, to the respondent or other person who collected the charges for checking and certification as to accuracy. Statements so prepared and certified shall be filed with the Commission for consideration in determining the amount of reparation due. Disputes concerning the accuracy of amounts may be assigned for conference by the Commission, or in its discretion referred for further hearing. [Rule 252.]

### § 502.253 **Interest in reparation proceedings.**

Except as to applications for refund or waiver of freight charges under § 502.271 and claims which are settled by agreement of the parties, and absent fraud or misconduct of a party, interest granted on awards of reparation in complaint proceedings instituted under the Shipping Act of 1984 will accrue from the date of injury to the date specified in the Commission order awarding reparation. Compounding will be daily from the date of injury to the date specified in the Commission order awarding reparation. Normally, the date specified within which payment must be made will be fifteen (15) days subsequent to the date of service of the Commission order. Interest shall be computed on the basis of the average monthly secondary market rate on six-month U.S. Treasury bills commencing with the rate for the month that the injury occurred and concluding with

the latest available monthly U.S. Treasury bill rate at the date of the Commission order awarding reparation. The monthly secondary market rates on six-month U.S. Treasury bills for the reparation period will be summed up and divided by the number of months for which interest rates are available in the reparation period to determine the average interest rate applicable during the period. [Rule 253.]

### § 502.254 **Attorney's fees in reparation proceedings.**

(a) *Scope.* The Commission shall, upon petition, award the complainant reasonable attorney's fees directly related to obtaining a reparations award in any complaint proceeding under section 11 of the Shipping Act of 1984. For purposes of this section, "attorney's fees" includes the fair market value of the services of any person permitted to appear and practice before the Commission in accordance with subpart B of this part, and may include compensation for services rendered the complainant in a related proceeding in Federal court that is useful and necessary to the determination of a reparations award in the complaint proceeding.

(b) *Content of petitions.* Petitions for attorney's fees under this section shall specify the number of hours claimed by each person representing the complainant at each identifiable stage of the proceeding, and shall be supported by evidence of the reasonableness of hours claimed and the customary fees charged by attorneys and associated legal representative in the community where the petitioner practices. Requests for additional compensation must be supported by evidence that the customary fees for the hours reasonably expended on the case would result in an unreasonable fee award.

(c) *Filing of petition.* (1) Petitions for attorney's fees shall be filed within 30 days of a final reparation award:

(i) With the presiding officer where the presiding officer's decision awarding reparations became administratively final pursuant to § 502.227(a)(3) and § 502.304(g); or

(ii) With the Commission, if exceptions were filed to, or the Commission
